

## Become a member – in our Chamber!

The *Swedish Chamber of Commerce for Eurasia* was founded 1968. The aim of the Chamber is to promote trade and business cooperation between Sweden and the 12 countries in former USSR (except for the 3 Baltic countries) that in 1991 became independent, as well as informing about sanctions and other trade regulations.

We do that through a variety of activities and services:

- Advisory
- Business proposals
- Networking & Experience sharing
- Information – for instance 10 Newsletters/year
- Lobbying
- Company promotion
- Offers and discounts
- Seminars & Conferences
- AW's, culture events, lectures
- Inbound and outbound business delegations

The events are our own arrangements or in cooperation with other organisations. We are also in regular contacts with the foreign embassies in Sweden, as well as Swedish embassies in the region, we inform about business delegations, we transfer visit requests, we follow problem areas and hot issues. In our regular Newsletter – distributed to more than 400 recipients - we promote our members, announce business news and also have the latest macroeconomic updates – from all 12 countries in the region. We also inform about upcoming exhibitions in the region and offer participation in interesting seminars, webinars, conferences – mostly for free. Since the unlawful full-scale Russian attack on Ukraine in February 2022, there has been a lot of focus on following and informing about sanctions as well as rules and conditions for exiting the Russian market, and direct Swedish business to legal and commercial support.

We are fully owned by the members – today close to 70 companies, primarily Swedish. We do not have any external financing or contribution – and accordingly we act independently. All our activities are financed by the annual fee (membership + tax-deductible service fee) and through quite a lot of volunteer work.

To be able to represent more industries, and a larger part of Swedish business interest towards the region, we gladly welcome more members. The more members we have in our Chamber, the more weight is behind our demands and requests towards authorities in both Sweden and abroad. If this can be of interest to you – please contact us!
